

## Master 1588D Magnification Combination

### Padlock

## DESCRIPTION

The Master 1588D has been designed for people who have difficulty in unlocking standard combination locks.

It's ideal for those with visual and mild motor limitations .

3-digit combination is pre-set.

## FEATURES

- 54mm wide solid aluminium body for durability
- Optical grade 360° magnification lens eliminates dialing guesswork
- Familiar rotary dial right-left-right functionality
- Unique lens design obscures combination from onlookers during dialing
- Tactile dial feedback at each number for precise dialing
- Soft touch dial ring for no-slip grip
- High contrast black on white numbers, improved visibility

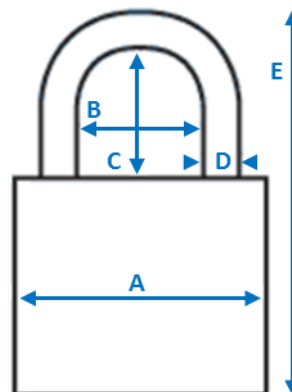

Prominent alignment indicator enables faster dialing

- Hardened steel shackle for extra cut resistance
