

Master 2650 PushKey

DESCRIPTION

The Master Lock No. 2650 PushKey™ portable keyed lock requires no key-turn to operate the lock.

Designed for use for people with motor impairment, this padlock is easy to use and requires less than 2.2 kilos of pull down force to open the lock.

The flared lock body provides an easy grip and the lock is designed to fit most school lockers. Four keys are included – two with large key head covers for easy grip.

FEATURES

- Easy-to-use lock requires no turning or tight gripping
- Exclusive key guide directs key to keyway
- 60mm flared lock body is easy to hold
- Needs less than 5 pounds of force to open
- Includes 2 student keys with oversized keyhead covers and 2 spare keys
