- Standard Alkaline batteries, 3 x AAA
- Suits doors up to 23mm thick

**NEW
PRODUCT**

PADLOCKS FOR STUDENTS WITH SPECIAL NEEDS

FLEXIBLE SHACKLE PADLOCK

- Great for securing items that require a little more flexibility than a rigid shackle
- Replaces the need to use chain.
- Great for gates and containers.
- Plastic coated, hard to cut wire cable.

MASTER 1525EZRC

**FREE key
override**
min 100

**Simple
Combination**
5 - 10 - 15

- Patented BlockGuard® Anti-Shim Technology withstands attempts to violate the latch mechanism
- Includes combination chart to facilitate lock system administration
- Key control feature provides supervisory access; specify key to match existing system or factory assigned

MASTER 1588DAU

- Optical grade 360° magnification lens eliminates dialing guesswork
- Familiar rotary dial right-left-right functionality
- Unique lens design obscures combination from onlookers during dialing

TIME TO THINK ABOUT YOUR LOCKER REQUIREMENTS?

LAPTOP CHARGING LOCKERS

- Welded frame and cross supports provides strength and stability.
- Perimeter door surround, prevents doors from being forced inwards.

GYM LOCKERS

- Ideal for gyms or staff lockers.
- Lockers feature ventilation slots or holes to prevent moisture build-up from forming, especially in humid environments.

STUDENT LOCKERS

- Recessed fixed shelf in each compartment.
- Coat hook on inside of door.

BACKPACK LOCKERS

- Reinforced fixed base shelves.
- Welded frame and cross supports provide strength and stability.
- Perimeter door surround, prevents doors from being forced inwards.

MOBILE PHONE LOCKERS

- Able to charge multiple mobile phones, in the same compartment, simultaneously.
- Electrical components comply with relevant Australian standards.
- Freestanding or wall mounted using keyhole cut-outs in back panel.

STAFF LOCKERS

- Three separate compartments.
- Adjustable book shelf.
- Coat hook.
- Welded frame and cross supports provide strength and stability.
